THE POSTURE IMPROVERS

Work **Better.**

About Us

Since 1991, **KOS Ergonomics** have been the leading provider of ergonomic office furniture in Ireland.

Our goal is to prioritise employee welfare and improve the health of office workers. With our comprehensive ergonomic service, including homeworker packages, sit-stand desks, chairs, VDU & DSE Assessments, and KOS Ergonomic software, we create healthy work environments. Customizable workstations promote comfort and productivity in offices and homes.

We support organizations in fostering employee well-being and a thriving workforce.
