

StandDesk | Standing Desk Converter

Electric sit-stand ergonomic workstation with memory function

StandDesk with keyboard

Innovative, ergonomic, beautifully designed and just plain cool..... The **StandDesk** electric sit-stand workstation with separate keyboard seamlessly transforms any fixed-height desk into an active height adjustable desk.

StandDesk

StandDesk is a beautifully designed and engineered electric height adjustable sit-stand workstation using a sophisticated 3 height memory system with a separate keyboard that rests at your existing work height

The **StandDesk** converts your existing desktop into a sit-stand workstation and gives you the ergonomic benefits of sitting and standing at your existing desk without the expense and inconvenience of purchasing a new desk

- **3 memory height positions** as well as an up/down button – just press the button to make the unit go to any pre-determined position without having to hold the button.
- **Anti-collision feature** for the unit going **up or down** ensuring safety of the user and surrounding items.
- **Automatic sleep/standby function to save power.**
- To power up the unit, just touch any button.
- **Simpler assembly** of the unit because most of the parts are pre-assembled. It will take half the time to assemble.
- **Improved functional design** that is ergonomic, user friendly and **aesthetically pleasing.**
- **Proven reliability of the electrical system.**

StandDesk has 2 work surfaces, one for the keyboard and mouse and the other a large and generous desk area to accommodate your monitor, or your laptop. **StandDesk** has infinite height settings for any height you may desire and is adjustable automatically in seconds!!

Features

- Memory height adjustment – just by touching a button
- Sits on top of an existing desk, no need to add additional expense buying another desk
- When used it will help reduce cardiovascular disease and reduced incidents of neck and back pain
- The StandDesk Electric Sit-Stand work-station will give you increased productivity, energy levels and overall mental and physical fitness, all within an affordable budget.
- No pinch points for personal safety, and eliminates the possibility of power cords being cut creating an electrical hazard and electric shock.
- Ease of operation with Sensor touch activating buttons – just touch the button to activate. They are conveniently located in the centre of the trigger
- Go anywhere, transportable and compact especially if you change work area or re-location
- Affordable, cheaper than buying another complete desk and most other sit-stand systems
- For the best experience, it's best to use a wireless keyboard & mouse
- Single monitor fixing assembly included
- Small footprint – raises and lowers in a vertical plane
- Colour – White
- Infinite incremental height adjustment possible
- Sturdy and stable even when fully extended
- Tested by AFRDI
