

ON-DEMAND ERGONOMIC ASSESSMENTS

Flexible, **Cost-Effective**, Efficient!

What Is The On-Demand Assessment Service?

The KOS Ergonomics On-Demand Ergonomic Assessment Service gives employees **instant access** to all KOS Assessors' live calendars.

This means they have the flexibility to book an assessment **at a time that suits them**, reducing scheduling conflicts and missed appointments.

Why Choose On-Demand Assessments?

Maximise Efficiency

With on-demand booking, assessments **only happen when needed**.

Reduce Costs

Avoid wasted funds from unfilled slots and last-minute cancellations.

Employee Convenience

Employees **select appointments at their preferred time**, improving engagement and participation.

Streamlined Scheduling

Real-time calendar access ensures quick and hassle-free bookings.

How It Works

1

Employees access the KOS Assessor live calendar.

2

They select a suitable time and **confirm the booking**.

3

A professional ergonomic **assessment is conducted**.

4

Recommendations are provided to improve workplace comfort and safety.

This service ensures a **smarter, more cost-effective** approach to workplace ergonomics, reducing unnecessary expenses while maintaining a high standard of employee care.
